WIRING HARNESS NEWS

2024 MEDIA GUIDE

Since 1994, Wiring Harness News has been the pioneer voice for decision makers in engineering, procurement, and top management for manufacturers of critical wiring systems. In fact, it is the only publication devoted solely to wire and cable assembly production.

FILE REQUIREMENTS

High Resolution PDFs at 300 DPI for both color and black and white ADs.

PDF X/1a Format Preferred. Please embed all fonts and graphics and submit all artwork in CMYK for Color ADs and K Only (Black Ink Only) for Black & White ADs.

Trim measurements are listed in inches. An additional 1/8" bleed (.125") allowance should be added to all four sides. Live matter should be kept a minimum of 1/4" (.25") from all trim edges.

Send completed Ad Contract (last page of this media kit) and final files to **Jim Brown** at jim@wiringharnessnews.com. If you have any questions, call (708) 594-7764.

Any pre-press production work such as enlargements, copy changes, etc. billed at current commercial rates.

Advertising design services available at additional cost. Copy and Illustrations subject to publisher approval.

CLASSIFIED ADVERTISING

Call Jim at (708) 594-7764 for current rates and classifications.
